

# Monthly Themes & Learning Outcomes

The Canadian planner connects planning topics to Canadian content to show students how planning, time management, and organization have influenced the growth, development, and greatness of Canada. Through the planner, students explore how planning can help them grow, develop, and mature.

The chart provides an overview of the planner's themes and learning outcomes to assist you in your planning process.

| MONTH | THEME                         | LEARNING OUTCOMES  |
