SEMI-CUSTOM COVER INSTRUCTION GUIDE
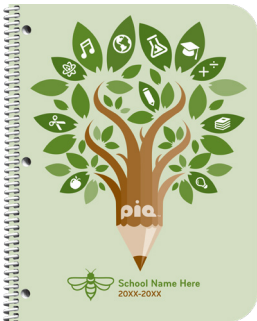

STEP 1: Select your Semi-Custom Cover.

Review the Semi-Custom Cover templates available and make your selection.
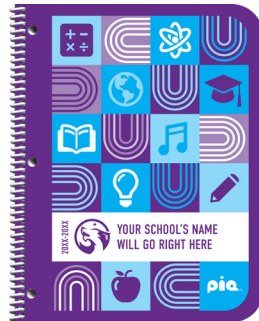

STEP 2: Pick your colours.

You can pick two colours for your semi-custom covers: a first colour (the colour of school name and logo) and a second colour (an accent or supporting colour). View the Colour Chart on page 2 for your colour options.

The chart below shows samples of our semi-custom cover templates and lists the first and second colours in each sample.

*Numbers indicate the location in which your photos will appear

To help highlight the photo space, and to show the location in which your photo will appear, we have screened the space in red. This information will help you when you are uploading your photo to the Online Materials Submission tool.

Ensure all images are high resolution (300 dpi). If the image is pixelated on your screen, it will print the same way!

Proofread your file carefully! PiQ is not responsible for misspellings. Your files will print exactly as they are submitted.

STEP 3: Submit your selections using the Online Material Submission tool.

When it's time to submit your semi-custom cover selections, you will receive an email with a link to our Online Materials Submission tool.
